CHRISTMAS SONG PLAY

(Choose an appropriate number of cards so that each team has the same amount)

Each team picks which teammate will draw first (everyone will end up getting a chance). The team has 40 seconds to yell out song titles while the teammate draws. Not allowed to choose another song title, if they do not like the one they received.

* No letters, words or numbers can be drawn, however if a word is said, that is part of the title, that word can be written down and pointed to as correct.

* Never speak while drawing.

* You are allowed to gesture, to indicate if close or off track, However NO charades allowed.

If the team guess's the song title that the teammate is drawing, they receive a point.

If they are unable to guess correctly the other team is allowed 10 seconds to come up with one answer from the drawing that is on the board. If they guess correctly, they receive the point.
