

## **Daisy - Senior Smile Song**

Daisy Size:

I've got something in my pocket

I like to put it on my face

I keep it very close to me

In a very special place

I know that you can guess it

It won't take a long, long while

I always take it out and put it on

It's a smile Daisy style!

Brownie Size:

I've got something in my pocket

It belongs across my face

I keep it very close to me

In a most convenient place

I'm sure you couldn't guess it

If you guessed a long, long, while

So I'll take it out and put it on

It's a great big Brownie smile!

Junior Size:

I've got something in my pocket

That's what I used to say

We spent our time so aimlessly

At home, at school, at play.

Now every day is special

We're searching, who am I?

We can only find that out

If you let us have a try!

Cadette Size:

I've something in my pocket

That's what we used to say

Then Mother Nature waved her hand

And childhood flew away

Now we feel like women

But children we must stay

For no one needs us for a while

"Just wait, just wait," they say!

Senior Size:

I've something in my pocket

That's what we used to say

We'd sing and dance and laugh a lot

Seems just like yesterday

But now I have needs of my own

And dream of things I see

The magic age of eighteen

Is what I long to be!

### **Growing Up Smile Song**

Daisy

"I've something in my pocket..."

That's what the big girls say.

I'll have a pocket of my own,

When I wear brown someday.

My life is bright and easy,  
I smile most of the day.  
I'm having lots of fun now,  
I sing and laugh and play!

Brownie

I've something in my pocket  
That belongs across my face.  
I keep it very close at hand  
In a most convenient place.  
I bet you'll never guess it  
If you guess a long, long while  
I'll put it on and show you,  
It's my great big Brownie Smile.

Junior

"I've something in my pocket..."  
That's what I used to say.  
I spent my time so aimlessly,  
At home, at school, at play.  
Now every day is special,  
I'm searching, who am I?  
Only I can find that out  
Please let me have a try!

Cadette

"I've something in my pocket..."  
That's what I used to say.  
Playing childhood games with friends,  
Seems just like yesterday.

I'm becoming a young woman,  
Soon I'll be a child no more,  
There's lots of opportunity,  
And so much to explore.

Senior

"I've something in my pocket..."  
That's what I used to say.  
Then Mother Nature waved her hand  
And childhood flew away.  
Today my needs are different,  
I wonder, 'What will be?'  
I'm making life decisions now,  
The choice is up to me.

Leader #1

I have something in my pocket,  
That's what we always said,  
But now we are the leaders,  
Teaching them instead  
We teach them when they're young,  
We guide them when they're old  
We watch them grow up strong and tall  
And that is our reward

Leader #2

I've got something in my pocket...  
That's what I used to say.  
My pockets full of permission slips.

And forms due yesterday.

I've become a Girl Scout Leader,

Helping young girls to explore,

Helping them to grow strong

Cause soon they'll be children no more.
