

5 STEPPING STONES BRIDGING

5 Stepping Stones:
(cut from 5 pieces of cardboard)

As the Daisies step over the stepping stones, the
Leader says:

"Stepping stones are for you Daisies,
Cross them while you sing.
Your Daisy days are over now,
Come and join our Brownie ring."

Girls now join the Brownie ring, where they repeat
the Promise and
are pinned by a sister Scout or the Leader.

"When you were a very young girl
You wore Daisy Girl Scout blue,
You learned the joy of singing
With Daisy friends so true.
But now that you are older
You will be trying something new,
You will bring along your happy smile
To Brownies we are welcoming you."

The Brownies are in the Brownie Circle and the
Bridging Brownies are
in the middle.

"Now is the time to say good-bye.
Break the ring and away you'll fly."

Brownies then cross over the Bridge to Juniors, they
repeat the
Promise and are pinned by a sister Scout or the
Leader.

"When you were a young girl
You learned through "trying" many things
Now you are ready for new adventures
As Juniors, your ideas can take wings."

Juniors cross over the Bridge to Cadettes, they repeat
the Promise

and are pinned by a sister Scout or the Leader.

"When you were a young girl, you learned a lot of
things

By singing, badge work, and helping others

You learned what happiness you can bring

Now you come to Cadettes ready to take a greater
part

In Girl Scouting and your community,

And Cadettes is just the start.

A Leader reads to all:

"When I hear of young girls who haven't been a Girl
Scout

I think of all the wonders that she has never seen.

We've watched you girls grow and marveled at the
sight,

Your caring, talents and abilities and using
them just right.

THE GIRL SCOUT PROMISE

On my honor, I will try:

To serve God and my country,

To help people at all times,

And to live by the Girl Scout Law

Closing Ceremony: Retire the flags by the Color
Guard.

We would like everyone to join us in a big

Friendship Circle and

sing "Taps" with us.
