

The Girl Scout Law *(to the tune of The Beverly Hillbillies)*

*By Kathleen Bryant and Service Unit 657,
Warrensburg, MO Mid-Continent Council of Girl
Scouts*

Come and listen to my story 'bout "The Girl Scout
Law"

About the greatest law that you have ever saw
It says to be honest and friendly and fair,
Helpful, considerate and showing that you care.

(Slow and pompously)

Courageous
And Strong
Responsible

Respect myself and others, respect authority
Use resources wisely so you can surely see
The world will be much better for every living thing
Be a sister to all Girl Scouts, what happiness you'll
bring

(Slow and pompously)

The Promise
and Law
Girl Scouting!
