

**Flash Flood Country**  
 Washes and narrow canyons are subject to sudden, unexpected flash flooding. It may be sunny weather where you are, but a distant storm can dump rain upstream sending a wall of water rushing down a normally dry wash or canyon. **NEVER ENTER WASHES OR NARROW CANYONS WHEN IT IS RAINING OR THREATENING TO RAIN.**

All Glen Canyon NRA lands north of this line require backcountry permits which are issued by Canyonlands NP. Special regulations apply.

Permit required from Bureau of Land Management (Monticello office) for San Juan River trips.

Do not use this map for navigation. Marinas and visitor centers sell navigational maps. Only Lake Powell's main channel is marked with navigational aids. Map shows lake at full pool elevation (3,700 feet).

Unpaved road  
 Most unpaved roads require a 4-wheel-drive vehicle. Off-road travel is prohibited. Inquire locally about road conditions; check with a ranger.

- Glen Canyon National Recreation Area is a fee area.**
- Ranger Station
  - Restaurant and lodge
  - Campground
  - Primitive Campground
  - Boat Launch
  - Marina
  - Floating dump station/restroom
  - Zebra mussel decontamination station
