

PINTAIL

TAIL

-  Full Bleed Line
(Anything that you want to hang over the edge of the board must fit the full line.)
(Anything inside must fit the line.)
-  Edge Edge Line
(This is a guide line where the edge of the deck will be.
(Anything in there will not cut into the red and grey lines.)
-  Guide Margin
(This is a guide line.)
(Anything that you want to absolutely print without hanging off the edge should be inside this line.)

NOSE

IMPORTANT: Guide layer must be removed before uploading to BoardPusher.com for print.
BoardPusher is not responsible for template guide printing on your deck.
