\( \text{I don't need you to sell me on reasons to want you} \)
I don't need you to search for the proof that I should

You don't have to convince me
You don't have to be scared you're not enough

'Cause what we've got goin' is good

I don't need more reminders of all that's been broken
I don't need you to fix what I'd rather forget

Clear the slate and start over

Try to quiet the noises in your head

We can't compete with all that

So what if it's us? What if it's us and only
us? And what came before—

won't count any more, or matter

Can we try that?

What if it's you? And what if it's me?

And what if that's all that we need it to be?

And the rest of the world falls away

What do you say?

I never thought there'd be someone like you who would
